NOTE:

1. Purchaser's choice of interior colour and material (one paint and carpet colour per house) from Vendor' samples if not yet ordered or installed provided that colours and material are available from suppliers and Purchaser agrees to select the colour and material within 10 days of notice by the Vendor, otherwise the Vendor reserves the right to choose the colour and material to complete the dwelling and the Purchaser agrees to close the transaction with the Vendor's choice of colour and material.
2. All plans, elevations, and specification are subject to modification from time to time by the Vendor according to the Ontario Building Code.
3. Vendor's standard light fixtures and door chimes.
4. The Vendor will not allow the Purchaser to do work and/or supply any material to finish the dwelling before the closing date.
5. Purchaser acknowledges that Ontario New Home Warranty Program enrollment fee is based on the sale price herein. Enrollment fee is to be paid by the Purchaser on closing.
6. Purchaser acknowledges that broadloom, furniture, electrical fixtures, drapes, ceramic flooring, wood flooring, upgraded kitchen cabinets, stained floor, staircase and railing, architectural ornamental plaster, acoustic tile ceiling and luminous lenses, etc. may be for display purposes only and may not be of the same grade or type or not necessarily be included in the dwelling unit purchased herein.
7. Purchaser's are notified that side door and door garage to house or exterior (where applicable) may be lowered or eliminated to accommodate side yard drainage as per grading or municipal requirements.
8. House type and streetscape subject to final approval of the Municipality or Developer's Architect
9. Variations from Vendor's samples may occur in bricks, finishing material, kitchen and vanity cabinets, floor and wall finishes due to normal production process.
10. The Purchaser shall indemnify and save the Vendor, its servants and agents harmless from all action, causes of action, claims and demand for, upon or by reason of damage, or injury to person or property of the Purchaser, or any of his friends, relatives, workmen or agents who have entered on the real property or any part of the subdivision of which the real property forms a part whether with or without the authorization, express or implied, of the Vendor.
11. Steps where applicable, may vary at any exterior or interior entrance way due to grading variance.
12. Laundry room layout and stairs may be altered or eliminated in order to accommodate municipally approved grading and drainage requirements.
13. Priority and corner lots have special treatments in accordance with architectural control provisions and Purchaser accepts same.
14. Front door vestibule may be lowered to accommodate grading.
15. Anything marked optional on the brochures has been priced as an extra, Ask sales representative for details.
16. Laundry Rooms may be sunken at Vendor's discretion in order to reduce number of garage steps, due to grading.
